Introduction

This index to the “Rates Book” lists the ratepayer’s name, rateable rural land including agistment and dairy blocks and the address of the ratepayer for the years recorded, 1927, 1928 and 1929 of the Federal Capital Territory. The register was made under the Rates Ordinance 1928.

Two pertinent clauses state:

6. All land in the Territory, including Crown land, shall be rateable in pursuance of this Ordinance, except—
 - (a) commons, public parks and public reserves not held under lease or licence ;
 - (b) sites of cemeteries, public hospitals, benevolent institutions, and buildings used exclusively for public charitable purposes;
 - (c) sites of churches and other buildings used exclusively for public worship, and free public libraries ;
 - (d) and Crown lands which are unoccupied and not leased.

- 7.—(1.) The Commission shall, as soon as practicable after the commencement of this Ordinance, cause an assessment to be made of the unimproved capital value of each parcel of rateable land in the Territory, and shall—
 - (a) cause particulars of the assessment to be recorded in the office of the Commission ; and
 - (b) cause notice of the assessment in respect of each parcel of rateable land to be given to the owner :
