"EARTHROCK IS COMING
BOOMINULLA OVAL, NARRABUNDAM,
SUNDAY DECEMBER 6th.
- THE ROCK FESTIVAL OF THE YEAR!"

ABOUT THE EVENT

THE VENUE...

...is the Boominulla Oval, which has been booked for Sunday 6th December.

It is a fenced recreation area in Narrabundah, three kilometres from the Centre of Canberra.

Boominulla is a superb venue for a one-day festival, with many essential facilities laid on.

The mainstage will be sited to the south of the oval, silhouetted by trees and hills.

On December 6th, a full moon will rise above the stage shortly after sunset.

THE EVENT...

...will start at noon and continue until the last band finishes at around 11pm.

There will be approximately eight bands playing from the main stage. A high quality PA and lightshow has been hired for the occasion.

A market area will be situated around the periphery of the Oval; food and drink will be available from stalls - and from a kitchen & bar situated close to the barbeque area.

Other areas of the Oval will be dedicated to childrens activities, fringe events, performance art, displays and community information stalls.

The Boominulla EarthRock Festival is a project of the *Foundry Association Inc*, a Canberra-based community organisation concerned with youth welfare and unemployment. All proceeds will be administered by the *Foundry Association Inc*.

Admission will be \$8 and \$12 ; we plan to attract upwards of 2,000 people.

THE BOOMINULLA FESTIVAL

ABOUT US...

SOUND EVENTS

- We are a recently-formed team of organisers with considerable experience in planning and promoting rock concerts, festivals and other public events.
- We are all concerned about the destruction of native forests - and the apparently intractable conflict between conservationists and forest workers in regions such as the south coast of NSW.
- We believe the time is ripe for a new initiative, launched under the auspices of an employment-oriented community organisation such as the *Foundry Association Inc*, which develops projects to help tackle this problem in areas such as native plantation forestry, agroforestry and woodcraft.
- Our goal is to raise a substantial sum of money towards this end over the course of the next few months, through a succession of public events leading up to a large festival on the south coast. The first of these promotions is the Boominulla Earthrock Festival.

THE FOUNDRY ASSOCIATION

- The sponsoring body for the Boominulla EarthRock Festival is the *Foundry Association*, a Canberra community organisation which is concerned with youth welfare and unemployment. It is closely linked to the *Foundry CYSS*, the central Canberra Community Youth Support Scheme.
- The *Foundry Association*, will administer the finances of the Festival; after payment of wages to the organisers, all profits will be retained by the Foundry to help support further work in this field.

GOALS OF THE PROJECT
