Woden Valley, Deakin and Yarralumla timetable

5 cents

EFFECTIVE 21 OCTOBER 1968

General information

There are references throughout the timetable to combined routes, e.g. **9/15**. This means that the service begins on Route **9** and then travels along Route **15**. Details of the routes are on page 1.

Passengers should note that routes are not always coupled, and at week-ends may be coupled in different combinations to those used on Mondays to Fridays. However, the timetable has been designed to enable you to travel between Woden suburbs or to City with only up to two minutes delay at the Woden Interchange.

For All Bus Enquiries Phone 90251

Please remember that we can save up to three minutes of your journey time if all passengers present the correct fare. Giving change doubles the time taken to issue a ticket.
