ACT Miner's Rights

Introduction

This index lists 200 miner's rights issued under section 12 of the *Mining Ordinance 1930-193*, 31 entries in the *Register of Applications for Authority to Prospect* made under section 14 of the Ordinance and the 2 entries in the *Register of Leases* made under section 38 of the Ordinance. The first entry in the *Register of Applications for Authority to Prospect* was in 1932 and the last in 1962.

Before the *Mining Ordinance* of 1930, New South Wales legislation was applied in the Australian Capital Territory. Those acts were the *Mining Act 1906* and the *Mining Amendment Act 1907*. To locate mining leases issued before 1930 in the area of New South Wales that became the Australian Capital Territory, use the State Records Authority of New South Wales online index to gold mining leases 1874-1928 at:

<http://www.records.nsw.gov.au/state-archives/indexes-online/indexes-to-land-records/registers-of-auriferous-gold-leases-1874-1928>
