4.3 REPORT ON FLOOD EVENT OF 16-17 OCTOBER (76/1231)

The Commission received a submission from the D(EW) which reviewed the events of the flood on 16-17 October.

The Commission in dealing with the recommendations of the submission -

1. Noted that the effectiveness of emergency procedure formulated for the Googong Dam construction phase.
2. Noted that the dam was only superficially damaged and that the construction schedule had not been significantly interrupted although overtime may be necessary to maintain the construction schedule.
3. Noted that most ACT stormwater facilities performed satisfactorily.
- 4(a) Agreed to redevelop damaged river recreational projects and the development of appropriate designs flood zones.
- (b) The Commission deferred consideration of an engineering study of the East Lake area.
- (c) FAC(E) to advise the Commission on how Morsehead Drive can be upgraded to provide all weather access to the airport.

Would the following Executives please note this extract and take any necessary action.

EXTRACT FROM MINUTES OF COMMISSION MEETING

PM 2.147.....

DATE 15-11-76

- (d) The Commission noted that there was a programme for the redevelopment of the Causeway.
  - (e) Agreed to bring Yarra Glen up to arterial standard, by introducing drainage improvements.
  - (f) The Commission decided that a permanent crossing across Tuggeranong Creek was not needed at the present stage of development.
  - (g) Agreed to undertake minor remedial measures in Kambah as appropriate.
5. Noted that Googong Dam will reduce flood flows by about 20% in Queanbeyan and reduce flood levels by 0.8m; and that no further flood mitigation effects are considered worthwhile and practical.

The FAC(E) was asked to advise the Commissioner on the progress of Captains Flat slag heap treatment.

The FAC(E) with the Secretary and Manager was asked to prepare an information minute to the Minister informing of the effects of the flood from the Commission's area of interest.

Would the following Executives please note this extract and take any necessary action.
